Your Ceremony

Why me?

With more than 15 years' experience as a Celebrant, you can relax and kick back knowing that everything will be taken good care of before, during and after your ceremony, while I guide you every step of the way.

You may be barefoot on the beach, surrounded by the natural beauty of the rainforest or on top the world on a Glasshouse mountain...

Wherever you are for your relaxed ceremony, you'll feel incredibly relaxed while I marry you both in a **serene and short but oh-so-sweet ceremony!**

As a **classy and calm Celebrant** who is just as excited about your marriage as you are, you'll breeze through your ceremony and **feel completely at ease** while I work closely with your Photographer to ensure you enjoy a **stylish, tranquil and super chilled ceremony** with just your two witnesses or a very small gathering of guests.

*"We can't recommend Stacey highly enough. Her communication, suggestions, understanding and the way she conducted herself throughout the entire process was nothing short of above and beyond. The best way to put it, it felt like a friend had been our celebrant."
